Not much to report this month from our meeting as only 15 members survived the Anzac preparations to attend the meeting, think some may have forgotten the date too.

Gloria our President thanked all who helped before and on ANZAC day. we would especially like to thank the young people who came forward to help with the dishes and getting the rooms ready for the lunch after the service.

Also many thanks to the members of the public who brought along plates to help with the catering. We also appreciate the help of the Mangawhai CWI and Kaiwaka Garden club who helped with the making of the wreaths, we are so lucky to have a Community that pulls together like this.

HAPPY BIRTHDAY to this months Birthday Girls Jan Mann and Doreen Woodhouse (It would be great to be 40 again!!)

Thankyou to those who attended our Roast beef dinner on Good Friday and we hope to see even more at our roast Lamb night on 12th May.

There is to be a committee meeting on 15th May in the Clubrooms at 11 a.m.

Our next monthly meeting will be on Thursday 25th May 1-15 p.m. new members Welcome.
